# PREFABRICATION of harnesses and top-of-the-line electrical systems, all tailored to suit your requirements

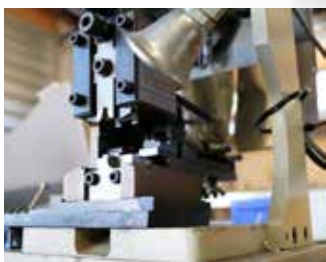

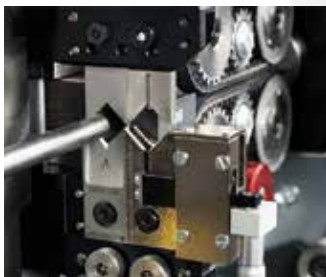

Newlands have developed an innovative approach to prefabricated harnesses, wire processing and electrical systems.

The experienced team manufacture top-of-the-line harnesses and electrical systems that are distributed as pre-assembled packages that can easily be installed off site.

## LATEST TECHNOLOGY

is used to produce precision  
wiring solutions

**WE ONLY WORK WITH  
TRUSTED BRANDS LIKE:**

## LET'S GET STARTED

Contact Jeff and the team at  
Newlands manufacturing to  
discuss your needs and how we  
can best assist your business.
