SIGNATURE BACK SUPPORT TOOL BELT + BLACK SKU: TMSRC + TMSRCB

Description

The Signature Back Support Belt is designed for the long haul. The increased width encourages weight distribution and lower-back lumbar support. This belt is suited for the everyday tradie who prioritises their long-term health and efficiency in the workplace. Pair this with one of our suspenders for added support and weight distribution.

This tool belt is designed to be customised, because we know every rig is different. Create a belt that works for you by attaching the right accessories, tool frogs, and bags/pouches in the right places to suit your needs.

ALL ROUNDER TOOL BELT + BLACK SKU: TMAR + TMARB

Description

Designed for lighter loads, but tough enough for any site conditions our all-rounder tool belt is a comfortable choice. Customise your belt to suit your work needs by attaching the right frogs, bags and accessories for personalization. If you want to lessen the impact on your lumbar, add a pair of our suspenders.

PREMIUM LEATHER 50MM TOOL BELT SKU: WB50

Description

Not yet ready to go against the grain and grab one of our padded belts? Our 2" work belt will provide you with a basic yet practical way to carry your essentials. Best suited to those who may not require a tool belt for extended periods.

BACK SUPPORT MINERS BELT SKU: CSEB

Description

The miners belt ergonomically offers back support and a safe way to carry rescue units and other pouches. Designed to offer support over extended periods, the more you wear this belt the more comfortable it gets as the materials shape around the wearers body. Features 1 upper belt strap for attaching tool holders and pouches and 3 wire loops for Shoulder Brace attachment. The single upper belt strap allows you to add on tool holders and pouches.

BACK SUPPORT MINERS BELT SKU: TMSMB

Description

This Miner's Back Support Belt features the same lower-back lumbar support as the TMSRC, but with 4 extra rivets in the middle for extra tensile-strength for carrying heavy-duty equipment. The belt features two buckles on either side of the exterior belt for securely hanging bags and frogs on both sides of the belt.

32MM KSB UNIFORM BELT - BLACK

SKU: KSB32

Description

Made from leather and featuring a branded Buckaroo Keeper. Dyed edges, 32mm wide to fit regular pant loops.

38MM KSB UNIFORM BELT - BLACK

SKU: KSB38

Description

Made from leather and featuring a branded Buckaroo Keeper. Dyed edges, 32mm wide to fit regular pant loops.

32MM VELCRO BRAND FASTENED BELT - BLACK

SKU: VEL32

Description

Designed to sit flat under your tool belt, the leather VEL32 is a popular choice. 32mm in width and featuring a stitched on Velcro fastening. It is a great looking and highly practical belt. The VEL32 is also recommended for mechanics or those working in more sensitive work environments.

SHOULDER BRACES + BLACK SKU: TMH + TMHB

Description

Shoulder Braces designed to fit our range of tool belts. Allows for better distribution of weight and relieves some of the strain that can affect the lower lumbar. This is achieved through the weight being transferred to the wearers shoulders as opposed to their back. Fully adjustable using the 3 moulded plastic tri-slides for easy positioning. The flat tri-slides avoid twisting of the straps (this is an issue with clip on systems). Once the braces have been affixed and are comfortable for the wearer, they don't ever need to be removed from the tool belt. The belt and braces combo now mimics a jacket. The front chest strap simply unclips for easy removal of your belt and braces combination.

Note: The braces straps should fit firmly against the wearers body and not hanging loose. The leather 'Y' section should sit toward the top of the wearers back and the chest strap should fit centre across the widest part of the wearers body.

Information

1. This product complies with AS/NZS 1906:4:2010 – Reflective materials (Hi vis component).
2. One Size Fits Most.
3. Will only fit the padded belt range.

Made from premium Australian boot upper leather with a waterproof finish, all Buckaroo nailbags feature double stitched edges, rivetting at wear points and attention to detail. Buckaroo nailbags are turned by hand allowing for quality control to take place at each stage of production.

The Buckaroo Smartphone Pouch will fit most popular smartphones that have a cover or protective case. With a stitched on VELCRO brand fastener and hand fitted rivets, this is a practical solution for protecting your phone.

MULTI TOOL HAMMER

POUCH SKU: MTHP

The Buckaroo Multi-Tool Hammer Pouch is designed for space-saving efficiency on your tool belt. This multi use pouch holds up to 6 tools conveniently and practically whether you're left or right dominant. Our Multi-Tool Hammer Pouch is triple sealed with thread, rivets, and glue for a firm and robust finish.

POWER TOOL

FROG SKU: NGH

The Buckaroo Power Tool Frog is a unique design featuring a quality laser cut metal piece to attach a power tool onto. This is a heavy duty frog with a robust appearance and feel.

HAMMER FROG

SKU: PHF

The Buckaroo Hammer Frog is built to last. It is designed to hold a claw hammer or any larger head hammer. The welded metal piece allows for the hammer to be more secure. This is a quality frog with a robust appearance and unique design.

COMBINED HAMMER & CHISEL

FROG SKU: TCHF

The Buckaroo Combined Hammer & Chisel Frog is manufactured using 4mm thick leather. It has been internally reinforced to ensure a chisel won't split the seams. The hammer holder is pressure riveted in place ensuring long lasting usability.

COMBINED CHISEL & NIPPS POUCH

SKU: TCHNFS

The Buckaroo Combined Chisel & Nipps Pouch is manufactured using 4mm thick leather. It has been internally reinforced to ensure a chisel won't split the seams.

TAPE FROG

SKU: TFL

Designed to securely hold a small tape. Made from 4mm leather and featuring a safety strap with a strong press stud fastening.

TAPE FROG - EXTRA LARGE

SKU: TFXL

The Buckaroo Extra Large Tape Frog is manufactured to securely hold a larger tape such as a Fatmax. Made from 4mm leather and featuring a safety strap with a strong press stud fastening.

DOUBLE NIPPS FROG

SKU: TMDN

The Buckaroo Double Nipps Frog is a unique design featuring a quality laser cut metal piece to hold two pairs of wire cutters.

DOUBLE SHIFTER FROG

SKU: TMDS

Designed to fit two shifters or one shifter and one podger/ratchet. Frog made from 4mm leather and wet moulded for longer lasting durability.

ULTIMATE HAMMER HOLDER

SKU: TMHF

The Buckaroo Ultimate Hammer Frog is built to last. It is designed to hold a claw hammer or any larger head hammer and features a durable safety strap with quality press stud fastening. The welded metal piece allows for the hammer to be more secure.

STRAIGHT LEVEL FROG
